A photograph of a bride and groom dancing at a wedding reception. The groom is on the left, wearing a black tuxedo, and the bride is on the right, wearing a white wedding dress and veil. They are both smiling and looking at each other. The background is a blurred indoor setting with warm lighting and a large potted plant.

Rigby's Jig Ballroom Dance Studio specializes in wedding dance preparation. We choreograph your First Dance so it's romantic, memorable and fits your personality and wedding plans. From helping you choose and edit the perfect music to giving Father/Daughter, Mother/Son or the entire wedding party instruction, the experienced staff at Rigby's Jig will make your wedding day complete!

Rigby's Jig Dance Studio is a beautiful ballroom dance facility with various size dance floors for private instruction or practice. Our studio offers lots of space for group classes and parties, as well as privacy, in one of our smaller rooms for private lessons.

At "The Jig" we offer Private and Group Lessons. Each has its own advantages. Private Lessons provide one-on-one instruction that will help you learn faster, refine your technique or prepare for a special event. Group Lessons are a great way to pick up new dance moves, meet new people and have fun dancing.
